RE: Leite v. Corsini
04-11794-GAO

Dear Sir/Madam:

The above-referenced (state) petition for a writ of habeas corpus was filed in U.S. District Court on or about August 19. To date, I have not been informed if the court has taken any action whatsoever on my petition. Could you please check, and drop me a note informing me of the current status of my case?

As always, thank you for your assistance.

Sincerely,

Tiago Leite
